Under the leadership of the Playmakers of the University of North Carolina, and through the efforts of such writers as Paul Green and Kermit Hunter and directors like Sam Selden and Harry Davis, the outdoor drama has made history in America, opening the door of the theatre to a mass play-going public. With the continued success of *The Lost Colony*—oldest of the nation's historical plays—and *Unto These Hills*, North Carolina has truly become the home of the outdoor drama. Other Tar Heel dramas are *Horn In The West* at Boone and *Sword of Gideon* at Kings Mountain.

Why did you change to Camels, WILLIAM HOLDEN?

*"Good Smoking"
William Holden*

"With so many people smoking Camels, I figured they must be good! So I tried them — found their cool mildness and swell flavor suit my taste to a T! You ought to try Camels yourself!"

WILLIAM HOLDEN, 1953 Academy Award winner, starring in "Sabrina", another on the big list of Hollywood personalities who prefer America's most popular cigarette, Camel!

Some others are John Wayne, Elizabeth Scott, Dick Powell, Rock Hudson, Maureen O'Sullivan.

R. J. Reynolds Tobacco Co.
Winston-Salem, N. C.

for Mildness and Flavor
CAMELS AGREE WITH MORE PEOPLE
than any other cigarette!

Make your own
30-day Camel
mildness test —
you'll see how well
Camels' mildness
and flavor suit you.

YOU, TOO, rate the cigarette that rates *best* with the *most* smokers! After all, Camels' costly tobaccos *assure* you a cool, cool mildness, a rich, exclusive flavor that other brands can't match! So *try* Camels — today. Smoke only Camels for 30 days. Let your own sense of good taste tell *you* why Camels' flavor and mildness agree with more people than *any* other cigarette!
